Private lessons: \$24 for 30-minute lesson (\$93.33 monthly)

Policies:

Your 9 monthly tuition payments cover the entire year of lessons. You pay for 35 sessions: 33 lessons and 2 recitals. If I need to cancel a class due to illness or other conflict, I will reschedule it by adding an extra lesson at the end of the year. If this is not feasible, I will refund you the tuition for the class.

In the event of a missed class you will be emailed the homework sheet. There are no refunds for missed classes.

Two months notice is required to withdraw from lessons. In the event of a move, you can transfer to a new MYC® class with another teacher.

A piano or touch-sensitive keyboard is required for students to practice on. At least five days of practice per week is expected.

Rough handling of any instruments or other items in the studio will not be tolerated. No gum, food or drink in studio during class time.

As a parent in class you are asked to refrain from visiting in class. Be sure to pay attention in class and take notes on new concepts presented to ensure maximum learning takes place for you and your child. Have fun -- enthusiasm is contagious!

Please turn cell phones to silent, or turn them off during class. If you absolutely must take a phone call, please leave the classroom to avoid disturbing the class.

Be on time for class. We start on time whether you are present or not. When you are late your child misses out and it is disruptive to the entire class. Thank you for your help!
